

05DRWBL

05DRWBS

## RECESSED AV WALL BOX

The Hills Antenna Recessed AV Wall Box has been specifically designed to be installed behind a wall mounted TV, providing a professional and flush solution when connecting your connections box or AV cables.

Available in either a Small or Large size, both boxes can be recessed neatly between wall studs, utilising four strong, spring-loaded, metal clips to help secure the wall box in position.

Complete with a backing plate, double power point, shroud, brush wall plate and mounting hardware, the 05DRWB comes ready to use, straight out of the box.

Constructed of a durable, mild steel, these boxes feature a White, Hammertone powder-coat finish, blending nicely with any modern decor.
