HOOK AND LOOP TIE ROLL

The Hills Antenna Hook and Loop Roll is a great solution for bundling / securing / organising messy cables, not only by creating hassle-free cable management, but by also helping reduce strain on cables and connectors.

Available in two sizes, these cable tie rolls can be cut into desired lengths to create re-usable wraps to suit any number of cables.

Features:

- Can be cut to desired length
- Self-gripping, flexible and reusable
- Easy to apply, adjust and remove
- Aids in reducing cable strain and protects cable connectors from over-tension
- Suitable for use in your data cabinets, home theatre installs, computer setups and so much more
- Material: Black Nylon front with PP backing
- Available in two sizes
