

N G D: N = Nickel for Body, G = Gold for Pin, D = Delrin for Insulation

DIGITEK®
Complete Digital Solutions

BNC Straight Plug Crimp Connector (RG58 & RG59) - 3 Piece

12D58	RG58
12D59	RG59

- Crimp termination for fast, repeatable assembly
- Compatible with RG58 & RG59 cable types
- 50 Ω nominal for optimal signal integrity
- Brass body and components with nickel plating (100 μ min) for corrosion resistance
- Gold-plated center pin (3 - 5 μ min) for excellent conductivity
- Delrin dielectric for effective insulation
- Rubber gasket for sealing and strain protection
- Compact overall length for tight installations
- Crimp termination for quick, secure installation without soldering
- Compatible with standard RG58/RG59 stripping and crimp tools

TERMINATION TYPE		Crimp
CONNECTOR TYPE		BNC Straight Plug
IMPEDANCE		50Ω
FREQUENCY RANGE		DC to 1 GHz (maximum)
CONTACT PIN PLATING		Gold-plated (3 - 5μ min)
BODY PLATING		Nickel (100μ min)
CABLE TYPE	12D58	RG58 Coaxial Cable
	12D59	RG59 Coaxial Cable
PIN DIAMETER	12D58	0.6mm
	12D59	0.9mm
PACKAGING		Single Piece or Pack of 100
WARRANTY		1 Year
