

(In-Conduit Glow Demonstration)

(Pipe Insertion Application)

Glow in the Dark Cable Puller - 4 Metres

16MCP4

FEATURES:

- Affordable, flexible tool for easy cable pulling in confined spaces
 - Phosphorescent green material recharges when exposed to light
 - Light green colour for daytime use; ideal for roof cavities, under houses, and wall voids
 - Impact-resistant, non-kinking PVC construction for repeated professional use
 - PVC material prevents electrical hazards near live wires.
- Compact Dimensions - 14.5 mm (W) x 4.5 mm (H) x 4 m (L); Slim profile navigates tight bends
- Absorbs ambient light in minutes; no batteries required
